With dimensions that are 85 percent of the size of the Ultratech®, the UTX-85® measures 7.65" in total length, features a 3.10" blade and weighs 3.1 oz. Constructed with high-quality materials such as 6061-T6 aluminum, proprietary screws and equipped with a glass breaker and Böhler M390MK® steel, the UTX-85® maintains the same standards of excellence as the original Ultratech®.

Despite its smaller size, it offers comparable ergonomics to its predecessor for a comfortable grip. The UTX-85® is perfect for everyday carry due to its compact size while remaining highly capable and reliable.

- BLADE STEEL: M390MK®
